Munich is the city you will be living in for five months. It is the capital of Bavaria and is known as a beautiful and safe city. It has attracted international attention, because it is a lively urban centre with museums and concerts and is within easy reach of beautiful lakes and the Alps. During your stay the biggest beer festival, the famous Oktoberfest, will take place. December is known for its pre - Christmas atmosphere with various Christkindlmarkets. And not to forget the alpine skiing period starting around December.

### Studying at KSFH

The KSFH is situated in a lively area in the heart of Munich, so it is easy to get around. The city offers a wide range of sportive, social and cultural activities the year round. Munich also provides a large range of cultural events and it is the venue of the world famous Oktoberfest. There are international cafés, restaurants, bookstores, national and international libraries, cinemas, many different music venues, sports events, parks, museums, shops and many more.

### Accommodation

As a special service, Katholische Stiftungsfachhochschule München tries to assist students from partner universities with accommodation. The International Office manages a limited number of rooms in Munich. Unfortunately, due to the high demand and shortage of accommodation in Munich, we cannot guarantee accommodation for every exchange student.

A rented and furnished room usually costs somewhere in the 350€ - 550€ range per month.

### Public Transportation

Munich has a very fast and efficient public transport system comprising metro, trains, busses and trams. A term ticket for students can be used on all public transport systems, and costs 141,- € per term. However in good weather condition cycling is very popular in Munich and many students simply choose to ride their bikes.

### Cost of living

In addition to paying rent and carfare, you will need to 300€ - 500€ per month to cover other expenses like food and leisure.
