Address:

Hochschule Neubrandenburg – University of Applied Sciences, International Office, Brodaer Str. 2, 17033 Neubrandenburg, GERMANY

Welcome to Neubrandenburg!

The town of Neubrandenburg is located halfway between the capital, Berlin, and the Baltic coast. It is located in the heart of the Mecklenburg Lake District right next to the lake Tollense, which is only a few minutes' walk from our university. Through its support for Olympic athletes Neubrandenburg is known as a "sports city", whilst the historic fortified wall and the four gothic city gates also give it the name "the city of four gates". The largest and most significant monument of north German brick Gothic is St. Mary's Church, which today is a wonderful concert hall offering exceptional acoustics.

The university town of Neubrandenburg welcomes international students and we look forward to your application.
